

## Join our Cub Club! A pride of little lions lovingly created by local schools and community groups.

**Lions at Large, Gloucestershire's first ever Wild in Art sculpture trial will be 'roaring' onto the streets of Cheltenham and Gloucester in the Summer of 2025!**

Lions at Large will see over 30 majestic lion sculptures individually painted by local artists; with streets, parks and open spaces dazzling with their vibrant colours and surprising designs!

This fun, free event will be raising funds for Cheltenham and Gloucester Hospitals Charity to support proposed new cancer care facilities with digital consulting rooms, space for state-of-the-art research, as well as a therapeutic outside space.

We would love for you to join the pride.

**We are asking organisations to fundraise a minimum of £750 for Cheltenham and Gloucester Hospitals Charity and for this you will receive:**

-  Your very own Little Lion for you to decorate and feature on the trail (H700 xL1200xW400)
-  Inclusion in the event's trail map and website
-  Fundraising tips, tricks and advice
-  A fun learning resource pack
-  Exclusive invites to Lions at Large events
-  Dedicated support from the Charity Team

Once the trail has ended, your little Lion will be returned to you to keep in its forever home!
